## PSE on bainbridge island

Dear Neighbor,

We would like to clarify an email that reached some of you earlier today. Tonight at 7 p.m., the Bainbridge Island City Council will meet at City Hall to discuss the process by which they might acquire the electric system from Puget Sound Energy and create a city-run electrical utility (also known as municipalization). This process may include a potential ballot measure. PSE is not for sale, and we'd prefer to focus our energy and resources on partnering with the City to identify solutions together.

If you've been wondering how to get your voice heard on this issue, this is your chance to ask questions and engage your City Council members. Show up tonight and speak out! If you can't make it tonight, you can email the City Council at [council@bainbridgewa.gov](mailto:council@bainbridgewa.gov).
