Learn more and let the Bainbridge City Council know your thoughts on a City-run electric utility

June 6

Join us at the Bainbridge City Council meeting to hear a presentation from D. Hittle & Associates, creator of the City's electric utility feasibility study. The City Council also invited both PSE and Island Power to present. Andy Wappler, PSE Vice President of Customer Operations & Communications, will present for PSE.

June 13

Come out and get your voice heard. Public comment will be allowed at this City Council meeting to discuss the idea of a City-run utility. This may be your only time to comment.

If you have comments about the City taking over the electric system, but cannot attend the June 13 meeting, please provide written comments at City Hall or by email at

council@bainbridgewa.gov

Tuesday, June 6 & June 13

7 p.m. at Bainbridge Island City Hall Council Chambers
280 Madison Ave. N.
