

PSE on bainbridge island

Reminder – you're invited to two upcoming town halls!

Andy Wappler presents to the Bainbridge Island community at a previous town hall.

We have two community events planned this week and next, and we hope you will participate! We're proud to serve Bainbridge Island and excited to continue the conversation with you to improve electric reliability, reduce Bainbridge's carbon footprint, increase energy efficiency and keep rates affordable across the Island. Join us to learn more and let your ideas be heard!

Telephone Town Hall

Wednesday, October 11

7 p.m. to 8 p.m.

It's easy to participate. You can connect from home or dial in from wherever you are to join the conversation. Send an email to info@psebainbridge.com and we'll email you information about how to connect to the town hall call.
