Let's talk safety! The City of Bainbridge Island and PSE are partnering to host a demonstration and discussion of how to be safe around electricity for residents and businesses on Bainbridge Island. Through slides and a dramatic high-voltage display, you'll learn what high voltage electricity can do and how to stay safe around it at this very engaging workshop.

When: Thurs., Dec. 12 from 6:30 – 8:00 p.m.

Where: Bainbridge Island Library's main meeting room.

To RSVP: eventbrite.com/e/lets-talk-safety-join-cobi-and-pse-for-a-discussion-on-electrical-safety-tickets-84009622041
